Pools and grounds are **private property** and for the use of Watters Crossing Residents only. These are your amenities as a resident of Watters Crossing and paid for and maintained by your HOA Dues.   Please do not share the pool cards with non-residents. Do not open the gate for anyone whom you do not know as a resident of Watters Crossing or who says they forgot their pool card or their pool card "doesn't work".

Rental of the Clubhouse in no way includes reservation of the pool. Please remember that Watters Crossing residents are permitted four (4) pool guests per family. Planned parties, party decorations, and balloons are not permitted at either pool at any time. This includes birthday parties, parties for soccer and other teams. This is not meant to prohibit resident's gatherings but to prohibit the use of the pools for a group "event" where the majority are not Watters Crossing residents.
