## Architectural Control Committee

**Section 5.1: Authority:** Except as specifically provided for homebuilders in Section 5.3, no landscaping shall be undertaken, and no building, fence, wall or other structure shall be commenced, erected, placed, maintained or altered on any Lot, nor shall any exterior painting of, exterior addition to, or alteration of, such items be made until all plans and specifications and a plot plan have been submitted to, and approved in writing by the Committee.

**Section 5.4: Standards:** The Committee shall use its good faith efforts to promote and ensure a high level of taste, design, quality, harmony and conformity throughout the Property consistent with this Declaration. The Committee shall have sole discretion with respect to taste, design, and all standards specified herein. One objective of the committee is to prevent unusual, radical, curious, odd, bizarre, peculiar or irregular structures from being built on the Property. The Committee from time to time may publish and promulgate bulletins regarding architectural standards, which shall be fair, reasonable and uniformly applied and shall carry forward the spirit and intention of this Declaration.

Please note that these guidelines are to help residents understand the request form but are not meant to “shortcut” the approval process. All architectural plans must be submitted for review and approved by the ACC **PRIOR** to the commencement of any construction. Homeowner should review Declaration of Covenants, Conditions, and Restrictions at the website listed below, specifically;

- Article IV, "Construction of Improvements and Use of Lots" and
- Article V, "Architectural Control Committee"

# Security Camera Guidelines

## **Guidelines:**

- Spotlights:
  - Front or side-facing cameras with 'spotlights' are not allowed.
- Cameras will be mounted:
  - On owner's property, not 'common' property
  - As close to underside of soffits as possible with as little wiring as possible showing.
  - If hard-wired, wires will run directly into soffits and continue in attic to source. No surface wiring.
- Cameras are not to be aimed in neighbor's yard.
