

Information on Texas Neighborhood Coalition and Short Term Rentals

As the TX legislature begins, our state-wide coalition is looking to send the [attached letter](#) to state reps in the next week or so and we are looking to see who else might be interested in signing the letter.

Action: Please let me know if you want to add your name to this list or if there are others in your HOA or Allen who you think might want to sign. We are looking for broad representation and across multiple cities and areas.

Thank you for your continuing support of this important issue for the safety and sanctity of our neighborhoods.
