

Attending an Architectural Control Committee Meeting

An Open Meeting Session is on the ACC agenda for any scheduled quests. Note that this is not a discussion session, but an allotted time within the ACC meeting agenda for the ACC to hear from any homeowner who feels the need to contest a violation. If you wish to attend, please note the following procedures:

- Email acc@waterscrossing.com with your name and property address no later than noon the day of the meeting.
- Indicate if you are requesting to speak, and if so, the topic.
- Speakers are allotted five minutes for their presentation.
- You must receive confirmation from the ACC Chair that you have been placed on the agenda.
